Kyiv, Ukraine 2017

Among the largest in Europe, "Galaxy" is a unique indoor amusement park of 19,500 sq m, with the latest and the best rides from the world's leading producers. The park was opened in December 2016 in the new Shopping Center "Lavina Mall", quickly becoming one of the favorite places for Kyiv residents, tourists and guests of the capital. And rightly so—this place is marvelous. Find it hard to believe?

See for yourself! On a tour in Kyiv? Looking for a burst of adrenaline and unforgettable emotions with your friends? Spending a family weekend with your children, family or friends? Want to celebrate an occasion? "Galaxy" amusement park is your destination. It's a true place of joy, delighted squeaks, and children's laughter. The rides like ours are nowhere to be found in Ukraine. Approximately 120 000 visitors are attending the park per month.

The most important for GALAXY's team is the security of visitors and their joy. All rides are brand new, developed by the global amusement ride market leaders, customized, mounted and tested by foreign high-class specialists and Ukrainian contractors, serviced and operated by specially trained people—instructors, operators, and technicians. In closest plans of the company is to open 3 more big indoor entertainment centers. Each will have unique concept, selection of attractions and will be different from another.

Welcome to the indoor amusement park "Galaxy"!
